René Verneau

Esa isla hospitalaria (Tierra Negra) (Spanish Edition) René Verneau

En 1876 René Verneau, comisionado por el Ministerio de Instrucción Pública de la República de Francia, viaja a Canarias en misión científica y permaneció en las Islas hasta finales de 1878. Regresó para acabar sus observaciones en el mes de septiembre de 1884 y en esta ocasión su estancia se prolongó casi tres años. Su libro *Cinco años de estancia en las Islas Canarias*, publicado originalmente en 1891, es un espléndido cuaderno de viaje en el que en un relato fascinante se ensartan descripciones del paisaje, la cultura popular, las costumbres y la situación económica y social del Archipiélago. Verneau recorrió El Hierro durante varios días, recorrió sus pueblos y veredas, probó su queso, disfrutó con los bailes de El vivo y el santo, visitó los grabados de El Julan, se asombró ante la fertilidad del Valle del Golfo. La generosidad y amabilidad de los herreños quedaron grabados en su memoria y para él El Hierro fue siempre “la isla hospitalaria”
