**Rebuilding Iraq: U.S. Mismanagement in the Middle East** Committee on Government Reform, U.S. House of Representatives

A Journey through Governance: A Public Servant's Experience under Six Presidents is a memoir revealing how the United States government works behind closed doors, through the eyes of a public servant who spent nearly twenty-five years in the midst of it. William A. Morrill, the quintessential public servant, takes the reader by the hand, inside the White House fence and through Capitol corridors to meet presidents, senators, generals, and cabinet secretaries as they deal with one critical national issue after another.
