Would you like to learn how to focus on only the most important business projects first?

How about a way to manage projects together regardless of the methodology?

And finally, what about an outsourcing model that allows for a nearly 24-hour development cycle?

The Agile Project Manager 2020 covers all of these topics and more.

Project Management should be more than meetings and Gantt charts.

In The Agile Project Manager 2020, we discuss how project managers can truly add value not just for governance but to the business as a whole.

Join us for an informative, real-world discussion of Agile, Project Management and hopefully some key takeaways from the Agile Project Manager 2020.
