Herman Wouk's sweeping epic of World War II, which begins with *The Winds of War* and continues here in *War and Remembrance*, stands as the crowning achievement of one of America's most celebrated storytellers. Like no other books about the war, Wouk's spellbinding narrative captures the tide of global events - and all the drama, romance, heroism, and tragedy of World War II - as it immerses us in the lives of a single American family drawn into the very center of the war's maelstrom.

These multimillion-copy best sellers are stirringly read by Kevin Pariseau for their first appearance in downloadable audio.
