Child of Divorce, Child of God: A Journey of Hope and Healing Kristine Steakley

Children of divorce carry wounds into adulthood. Divorce affects our relationships to other people, our fears and longings, our faith, and our spirituality. We may have difficulties with anger, guilt, commitment or forgiveness. But our identity need not be marked only by our parents' divorce. God can enter into our woundedness and bring transformation and hope.

Kristine Steakley chronicles the emotional and spiritual challenges facing adult children of divorce. She tells her own story of abandonment and estrangement with all the attendant questions of trust, self-worth and identity. But she has found that God can repair and reparent us in ways that heal and restore our relationships with ourselves, our parents and God.
