Family Court Hell Mark Harris

SYNOPSIS; This is one man's harrowing story of frustration and determination as he battled for access rights to his young daughters following the bitter break up of his marriage. Incredibly, his was a journey that spanned almost ten years, with 133 hearings before 33 different judges and which reportedly cost the taxpayer almost one million pounds UK Sterling. What should have been a 'simple child access dispute' somehow resulted in this innocent family man effectively being criminalized by the family courts, resulting in two stretches on the A Wing of London's notorious Pentonville Prison, which housed convicted murderers, terrorists, gun runners and drug dealers. Mark Harris eventually took his case public and the international campaign for fathers' rights took off-with the formation of Fathers 4 Justice. This is a shocking story that deserves to be told.
