A Brief History of The Bible Tom Newman

Tom Newman went into anaphylactic shock and suffered a cardiac arrest and complete respiratory failure after being stung repeatedly. He flat lined; his spirit and soul left his body, and he became aware of what was transpiring around him. There were no bright lights, no tunnels, and no one waiting to meet him. Tom could see the operating table and watched the efforts to revive him. It was after this experience that Tom began to seriously consider the sophisticated and complex nature of dueling realities; the spiritual and physical realms are very real. An understanding of life in two separate realities significantly alters our understanding as Author Tom Newman explains in A Brief History of the Bible. This informative and biblically-based book gives great insight for those curious about what the bible has to say over this topic and how it works harmoniously within itself to present us theological truth. Tom did not find the answers in the sciences, psychology or philosophy. The Bible seemed to hold the best possibilities for answers and after a twenty-year-study of Scripture, Tom found the answers to his questions about life and death. Tom Newman currently resides in Eden Prairie, New Mexico.
