Here There Be Monsters: The fifteen stories of *Drink for the Thirst to Come* lead the reader into the darkest corners of the imagination. The people who inhabit these places are demons or angels; here, life ends horribly or stretches to the darkest eternity. Here, the world dies whimpering, ends with a bang, or goes down with the clack of a billion tiny teeth. Here, you'll find all the standard tropes, vampires, zombies, ghosts, ghouls. You may not recognize them, not right away. They might be standing in a quiet corner or walking in a sunny field or seated next to you on a bus, they might be pulling up to the gas pump or, hell, they might be you, sitting there, reading the book.
