Last Watch of the Night: Essays Too Personal and Otherwise Paul Monette

Tender and passionate autobiographical essays by National Book Award winner Paul Monette

“Does it go too fast?” Monette asks about life at the beginning of one piece. The answer is a resounding “yes” for the individuals who populate this stunning work of nonfiction. These ten autobiographical essays memorialize those whose lives have been claimed by AIDS. Following *Becoming a Man* and *Borrowed Time*, *Last Watch of the Night* is Monette’s third and final self-portrait. In this collection, he confronts death—those of lovers and friends, and even his own eventual demise—with both bravery and compassion.

This ebook features an illustrated biography of Paul Monette including rare images and never-before-seen documents from the Paul Monette papers of the UCLA Library Special Collections.
