Point Pleasant (Images of America)

Jerry A. Woolley

Point Pleasant (Images of America) Jerry A. Woolley

Since the development of photography in the midnineteenth century, the camera has been used as a tool of both discovery and preservation. Photographs bring alive our image of the past, and can open a floodgate of memories and nostalgia or inspire curiosity and a sense of history. Point Pleasant and Point Pleasant Beach have always been two of New Jersey's most dynamic coastal communities. The scenic beauty and simple charm of the area remains undisturbed today, and it is easy to see why it has been a popular tourist destination for more than two centuries. The last one hundred years have also seen the formation and development of several important industries in the region, including shipbuilding and commercial fishing. This combination of business and recreation, of modern industry and Old World charm, is why Point Pleasant and Point Pleasant Beach remain two of the most vivacious and magnetic communities on the coast of New Jersey.
