## **Walking in Italy** Claudio Ruggeri

"Walking in Italy" is a compelling narrative of a young man's journey through romantic awakening, heartbreak, and self-discovery. Steeped in truth, the story recounts the events of one unforgettable summer in Italy. The adventure begins in Rome where one chance encounter intertwines hearts and lives forever. It brings the reader along the winding Amalfi Coast, across oceans, and back again. It is a story of love found, divided by continents, and lost in translation. It is a story that reveals how human connections can break hearts and ultimately heal them.
