Watching Jimmy Nancy Hartry

A novel of danger, warmth, and dark humor — about a brain-damaged young boy and the friend who knows a terrible secret.

Watching Jimmy is an impossible-to-put-down novel full of danger, warmth, and dark humor. With shocking candor, young Carolyn relates the truth about what really happened to her best friend, Jimmy, when his Uncle Ted chose the perfect time to teach him a lesson he'd never forget. The truth is, Jimmy didn't fall from a swing like Uncle Ted claims — Carolyn knows, because she saw everything. According to her, *"Uncle Ted just didn't count on me, Carolyn, [being] perched in a tree where the park and the parking lot meet."*

With the dreadful secret locked away, Carolyn walks an emotional tightrope. No matter what else is happening in this post-war era, she must keep an eye on poor, brain-damaged Jimmy: making sure he behaves, keeping him clean, and keeping him safe — especially from Uncle Ted. But when Uncle Ted threatens his beleaguered family with even more abuse and the loss of their home, Carolyn must find the courage to match wits with him and to speak out, using the truth as her only weapon. But perhaps her biggest challenge will lie in finding a way to get Jimmy the expensive operation he needs to relieve the pressure on his brain, because:

"As I told you, our Jimmy is not a mental defective like people say. Our Jimmy is in there. He's in there. This I know." Set in 1958, **Watching Jimmy** is a brilliant portrait of a time past, a family of strong women, and a resourceful young girl who exudes character, resilience, and, most of all, love.

From the Hardcover edition.

Maybe it is to be best activity for you. You recognize beside you can spend your time using your favorite's book, you can wiser than before. Do you agree with its opinion or you have some other opinion?

Marilyn Leonard:

Here thing why that Watching Jimmy are different and trusted to be yours. First of all looking at a book is good but it really depends in the content from it which is the content is as scrumptious as food or not. Watching Jimmy giving you information deeper as different ways, you can find any reserve out there but there is no guide that similar with Watching Jimmy. It gives you thrill looking at journey, its open up your current eyes about the thing that happened in the world which is maybe can be happened around you. You can easily bring everywhere like in recreation area, café, or even in your approach home by train. Should you be having difficulties in bringing the branded book maybe the form of Watching Jimmy in e-book can be your option.

William Carroll:

Reading a guide can be one of a lot of exercise that everyone in the world likes. Do you like reading book so. There are a lot of reasons why people fantastic. First reading a publication will give you a lot of new data. When you read a book you will get new information because book is one of numerous ways to share the information or perhaps their idea. Second, reading through a book will make a person more imaginative. When you studying a book especially hype book the author will bring you to imagine the story how the personas do it anything. Third, you may share your knowledge to other people. When you read this Watching Jimmy, it is possible to tells your family, friends and also soon about yours reserve. Your knowledge can inspire the others, make them reading a book.

Norbert Walling:

As a university student exactly feel bored to help reading. If their teacher inquired them to go to the library or make summary for some book, they are complained. Just tiny students that has reading's internal or real their hobby. They just do what the trainer want, like asked to go to the library. They go to there but nothing reading significantly. Any students feel that examining is not important, boring along with can't see colorful pics on there. Yeah, it is being complicated. Book is very important for you. As we know that on this period, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore this Watching Jimmy can make you feel more interested to read.
