Everything radiography students need to ace the certification exam

Hailed by *Doody's Review Service* as “the gold standard among instructors and students”, *Radiography PREP* delivers a concise summary of the entire radiography curriculum in a readable narrative.

Written by an experienced program director, this is a true “must read” for certification or recertification. Readers will find more than 850 ARRT-style review questions (including a comprehensive 200-question practice exam), detailed answer explanations for correct and incorrect answers, more than 400 illustrations and radiographic images, and powerful learning aids such as summary boxes and a glossary.

- Market: 748 accredited radiography programs in the USA, with a total enrollment of 16,500 students
- Updated to reflect the most recent ARRT Radiography Examination blueprint
- Interestingly written narrative style makes it easier to understand and remember key concepts

Dorothy A. Saia, MA, RT(R)(M) (Stamford, CT) is Director of the Radiography Program at Stamford Hospital. She has been teaching radiography for more than 35 years.
