The Book No Pope Would Want You To Read Tim Leedom & Maryjane Churchville

This book is an all in one expose of the Catholic Church and their leaders who have lied, cheated their parishioners and the world for 2000 years...this expose names names and takes no prisoners...gets past the infallibility claims and public relation campaigns that still go on...for Catholics, ex-Catholics and the world. The mafia, the drugs, weapons, molestations are not the work of the holy...but the work or criminals.
