- * perfect formatting for electronic reading devices

The Dhammapada is a versified Buddhist scripture traditionally ascribed to the Buddha himself. It is one of the best-known texts from the Theravada canon. The title, Dhammapada, is a compound term composed of dhamma and pada, each word having a number of denotations and connotations. Generally, dhamma can refer to the Buddha's "doctrine" or an "eternal truth" or "righteousness" or all "phenomena"; and, at its root, pada means "foot" and thus by extension, especially in this context, means either "path" or "verse" (cf. "prosodic foot") or both. (courtesy of wikipedia.com)
