Garcia: An American Life Blair Jackson

He was there when **Dylan** went electric, when a generation danced naked at Woodstock, and when **Ken Kesey** started experimenting with acid. **Jerry Garcia** was one of the most gifted musicians of all time, and he was a member of one of the most worshiped rock 'n' roll bands in history. Now, **Blair Jackson**, who covered the Grateful Dead for twenty-five years, gives us an unparalleled portrait of Garcia--the musical genius, the brilliant songwriter, and ultimately, the tortured soul plagued by his own addiction. With more than forty photographs, many of them previously unpublished, **Garcia: An American Life** is the ultimate tribute to the man who, Bob Dylan said, "had no equal."
