Geology of Petroleum (Foundation Commemorative Edition Series)

Arville Irving Levorsen, Frederick A. F. Berry

Geology of Petroleum (Foundation Commemorative Edition Series) Arville Irving Levorsen, Frederick A. F. Berry

This special commemorative edition is a reprint of the classic volume originally published in 1967 by W. H. Freeman and Company. It honors the memory of a truly great scientist, petroleum geologist, and teacher.

For many years, this book was unparalleled as a resource for working petroleum geologists as well as students.

Even with the 33 volumes of AAPG's Treatise of Petroleum Geology, Levorsen's single volume of more than 700 pages remains a very useful reference.

With more than 50,000 copies published since the first edition was released in 1954, *Geology of Petroleum* remains one of the most widely read geology books of all time.

AAPG Foundation Commemorative Edition

American Association of Petroleum Geologists (AAPG)

Founded in 1917, AAPG is the world's largest professional geological society.

AAPG is a pillar of the world-wide scientific community. Our books foster timely scientific research, advance the science of geology and promote the most efficient methods of energy exploration & processing technology and practices available today.

Some of the areas we publish in include:

Well Log Analysis

Geological Modeling

Carbonate Petrology

Seismic Imaging

Reservoir Characterization

Regional Petroleum Analysis

Tectonics and Sedimentation

Stratigraphy
