## **Inferno Vol.1 #5** Mike Carey

Murdered by an unknown assailant, John Travis finds himself in Inferno, a Hell not of fiery demons and satanic majesty, but an endless city seething with corruption, intrigue and despair. Yet death is the least of Travis' problems; he is accused of being Jacomo Terence, dead 800 years and the first man to escape Hell and live his life again. Naturally, this did not sit well with the Infernal Powers, and so Travis finds himself at the centre of a vast power struggle and thrust into battle with Inferno's seneschal, Lord Baal. The epic conclusion to the Inferno saga.
