The Frozen Thames

Helen Humphreys

The Frozen Thames Helen Humphreys

In its long history, the river Thames has frozen solid forty times. These are the stories of that frozen river.

So begins this breathtaking and original work, which contains forty vignettes based on events that actually took place each time the historic Thames froze solid. Spanning more than seven centuries—from 1142 to 1895—and illustrated with stunning full-color period art, **The Frozen Thames** is an achingly beautiful feat of the imagination...a work of fiction that transports us back through history to cast us as intimate observers of unforgettable moments in time.

Whether we're viewing the magnificent spectacle of King Henry VIII riding across the ice highway (while plotting to rid himself of his second wife) or participating in a joyous Frost Fair on the ice, joining lovers meeting on the frozen river during the plague years or coming upon the sight of a massive ship frozen into the Thames...these unforgettable stories are a triumph of the imagination as well as a moving meditation on love, loss, and the transformative powers of nature.

From the Hardcover edition.

From reader reviews:

Carla Floyd:

Do you have favorite book? For those who have, what is your favorite's book? Guide is very important thing for us to understand everything in the world. Each guide has different aim as well as goal; it means that book has different type. Some people feel enjoy to spend their time for you to read a book. They are reading whatever they consider because their hobby is actually reading a book. How about the person who don't like reading a book? Sometime, man feel need book once they found difficult problem as well as exercise. Well, probably you'll have this The Frozen Thames.

Manuel Pina:

What do you about book? It is not important together with you? Or just adding material if you want something to explain what yours problem? How about your free time? Or are you busy particular person? If you don't have spare time to try and do others business, it is gives you the sense of being bored faster. And you have spare time? What did you do? Every individual has many questions above. They must answer that question because just their can do this. It said that about book. Book is familiar in each person. Yes, it is right. Because start from on guardería until university need this specific The Frozen Thames to read.

Marc Dean:

Your reading sixth sense will not betray a person, why because this The Frozen Thames guide written by well-known writer who really knows well how to make book that can be understand by anyone who have read the book. Written inside good manner for you, still dripping wet every ideas and publishing skill only for eliminate your personal hunger then you still hesitation The Frozen Thames as good book but not only by the cover but also with the content. This is one book that can break don't assess book by its cover, so do you still needing an additional sixth sense to pick this kind of!? Oh come on your studying sixth sense already told you so why you have to listening to an additional sixth sense.

Kathleen Huckaby:

What is your hobby? Have you heard this question when you got pupils? We believe that that question was given by teacher with their students. Many kinds of hobby, Everyone has different hobby. Therefore you know that little person similar to reading or as examining become their hobby. You have to know that reading is very important and book as to be the issue. Book is important thing to add you knowledge, except your personal teacher or lecturer. You get good news or update in relation to something by book. Numerous books that can you go onto be your object. One of them is actually The Frozen Thames.
