Common Sense (())

Thomas Paine

Common Sense (()) Thomas Paine

The rousing argument for independence that inspired a nation

Published anonymously in 1776, this landmark political pamphlet spread across the colonies more rapidly than any document of its kind ever had before. Its words were read aloud in town squares, its pages affixed to tavern walls. Both a clear-eyed, plainly stated case for separation from Great Britain and a stirring call to action, *Common Sense* sparked the imagination of a fledgling nation and played a decisive role in the march toward revolution. Thomas Paine's masterpiece is crucial reading for any student of American history.
