New York City Vice Detective Evan Cerelli has lost his wife, the only person he ever loved and slept with. He's trying to get on with his life, build a life for his children. Former Homicide Detective Matt Haight is a ladies' man, all sex/no commitment. He's depressed, having a midlife crisis, and not sure where his life is headed.

The two find friendship in the bottom of a shared bottle. When the friendship turns to love, it shakes two straight men to the core and flips their lives inside out. Kids, families, careers that are not gay-friendly -- can all the love in the world overcome the obstacles to faith and fidelity?
