The Easy Way To Walk In The Spirit: hearing God's Voice And Following His Direction Larry Huggins

Think how different your lifestyle would be if you knew how to walk in the Spirit. You could be at the right place at the right time, avoid pitfalls, meet the right people, make better decisions. Walking in the Spirit, or being Spirit- led, is possible for all of God's children.

But to some, walking in the Spirit is a mystery. Others make it more complicated than it is.

In life, when we have to make decisions on the fly, what are we going to do? Lie down, take a nap, and hope we receive a dream from God? That won't serve us. God may use dreams and visions in guiding us (if He so desires), but we shouldn't expect Him to only use that method. Dreams and visions may come, but as we will see, we are to operate according to the Word of God.
