Katherine Harper Can't Be Beat

For Katherine, running for city council is about protecting children from the kind of grim childhood she had. And she won't let privileged politician's son Nick Delaney ruin her chances. Like he once ruined her dreams of true love and a family of her own.

Nick has his sights set on public office, not on rekindling a star-crossed romance from years ago. Yet as he and Katherine spend time together on the election circuit, his competitor compels him with her beauty and heart of gold. Falling for the opposition was never in his plans, but Nick will give anything to earn Katherine's forgiveness and renew their love.
