## **Collective Bargaining in Education: Negotiating Change in Today's Schools** Jane Hannaway

Collective bargaining shapes the way public schools are organized, financed, staffed, and operated. Despite the tremendous influence of teachers unions, however, there has not been a significant research-based book examining the role of collective bargaining in education in decades. *Collective Bargaining in Education* offers a thorough and nuanced analysis of the available research and varied perspectives on its implications. This timely and comprehensive volume will spur and strengthen public debate over the role of teachers unions in education reform for years to come.
