## **Freakboy** Kristin Elizabeth Clark

From the outside, Brendan Chase seems to have it pretty easy. He's a star wrestler, a video game aficionado, and a loving boyfriend to his seemingly perfect match, Vanessa. But on the inside, Brendan struggles to understand why his body feels so wrong—why he sometimes fantasizes having long hair, soft skin, and gentle curves. Is there even a name for guys like him? Guys who sometimes want to be girls? Or is Brendan just a freak?

In *Freakboy's* razor-sharp verse, Kristin Clark folds three narratives into one powerful story: Brendan trying to understand his sexual identity, Vanessa fighting to keep her and Brendan's relationship alive, and Angel struggling to confront her demons.
