Q&A's for the PMBOK® Guide Fourth Edition Frank T. Anbari

PMI introduced its first question and answer guide in 1997 and, as the project management profession continues to mature, improvements to Q & As for the PMBOK® Guide have evolved naturally from student and instructor feedback on the previous two editions. In the newest edition, PMI has demonstrated a commitment to clear, direct writing, with questions that are quick, to the point and stress the core essentials of project management. Those who want to learn more about the profession, as well as those who want to fine-tune their development skills, will find:

- A straightforward question and answer format with 200 multiple choice questions covering key project management themes and concepts of the project management framework and the nine project management knowledge areas in the PMBOK® Guide 4th Edition.
- Questions and answers derived from and categorized by PMI's best selling global standard, the PMBOK® Guide 4th Edition.
- An answer section with reference page numbers and relevant quotations from the PMBOK® Guide 4th Edition to help you enhance your breadth and depth of knowledge in a specific area.

Once you've read the PMBOK® Guide 4th Edition, you'll want to test yourself with this useful complement. How much do you really know about project management? Do you have all the answers? Whether you are a seasoned professional, novice, student, or instructor of project management, you will appreciate Q & As for the PMBOK® Guide Fourth Edition for its rich content and ability to test your skill and knowledge.
