**Teaching Your Children Values** Richard Eyre, Linda Eyre

One of the greatest gifts you can give your children is a strong sense of personal values. Helping your children develop values such as honesty, self-reliance, and dependability is as important a part of their education as

teaching them to read or how to cross the street safely. The values you teach your children are their best protection from the influences of peer pressure and the temptations of consumer culture. With their own values clearly defined, your children can make their own decisions -- rather than imitate their friends or the latest fashions. In *Teaching Your Children Values* Linda and Richard Eyre present a practical, proven, month-by-month program of games, family activities, and value-building exercises for kids of all ages.
