A collection of noir, surreal stories, comicbook asides, hardboiled moments, fantasy, dystopia, sci-fi, snapshots of Japanese culture, and the existentialism of contemporary experimental electronic music. This is Bergen's baptismal short story collection, bringing together recent short stories, never-before-seen older material, new comicbook art, and a range of incisive pop-culture articles written about music and Japan from 1999 to 2013.
