UNBORED Games has all the smarts, creativity, and DIY spirit of the original *UNBORED* ("It's a book! It's a guide! It's a way of life!?? -*Los Angeles Magazine*), but with a laser-like focus on the activities we do for pure fun: to while away a rainy day, to test our skills and stretch our imaginations-games. There are more than seventy games here, 50 of them all new, plus many more recommendations, and they cover the full gambit, from old-fashioned favorites to today's high-tech games. The book offers a gold mine of creative, constructive fun: intricate clapping games, bike rodeo, Google Earth challenges, croquet golf, capture the flag, and the best ever apps to play with Grandma, to name only a handful. Gaming is a whole culture for kids to explore, and the book will be complete with gaming history and interviews with awesome game designers. The lessons here: all games can be self-customized, or hacked. You can even make up your own games. Some could even change the world.

The original *UNBORED* has taken its place as a much beloved, distinctly contemporary family brand. *UNBORED Games* extends the franchise -- to be followed by *UNBORED Adventure* -- in a new handy flexibound format, illustrated in full color throughout. Soon, there will be a whole shelf of serious fun the whole family can enjoy indoors, outdoors, online and offline.
