Willa Cather

O Pioneers! (Great Plains Trilogy) Willa Cather

Set on the Nebraska prairie where Willa Cather (1873–1947) grew up, this powerful early novel tells the story of the young Alexandra Bergson, whose dying father leaves her in charge of the family and of the lands they have struggled to farm. In Alexandra's long flight to survive and succeed, *O Pioneers!* relates an important chapter in the history of the American frontier.

Evoking the harsh grandeur of the prairie, this landmark of American fiction unfurls a saga of love, greed, murder, failed dreams, and hard-won triumph. In the fateful interaction of her characters, Willa Cather compares with keen insight the experiences of Swedish, French, and Bohemian immigrants in the United States. And in her absorbing narrative, she displays the virtuoso storytelling skills that have made her one of the most admired masters of the American novel.
