With thousands of romance novels published each year, librarians—especially those unfamiliar with or indifferent to the genre—can benefit from this well-organized, reference that offers scores of appeals-based read-alike lists for some of the most popular, contemporary romance fiction.

- Describes more than 400 titles grouped according to popular appeal features
- Provides access to titles through user-friendly terminology rather than the typically formal language of the Online Public Access Catalog (OPAC)
- Identifies titles suited for book clubs, award-winning books, and titles that appeal to teen readers
