But, the perfect world of Perry Richards is shattered as a cruel façade. Days before Perry is to be appointed as the executive director of the public interest law firm he works for, Felicia vanishes on her way to meet him at their cabin in the mountains. Was it an accident, foul play, or something more sinister? Aided by his wealthy and beautiful colleague, Charleston Liria Bradley, Perry sets out to find the truth. Together they discover that the woman known as Felicia Pridemore was a construct of fiction – she never existed. He also discovers Charleston is so deeply in love him, she will go to any length to see that Felicia remains a haunting mystery. Perry's search for the truth becomes a pitched battle against sexual temptation, racial politics, professional treachery and a host of people out to kill him. Perry Richards discovers that there is a deadly price to pay for disrupting someone else's idea of a perfect world.
