This book sits alongside Nelson Mandela's memoir Long Walk to Freedom. 'This book is bound to become a classic for a new generation of Asians who value democracy even more highly than Westerners do, simply because they are deprived of the basic freedoms that Westerners take for granted' The New York Times 'Aung San Suu Kyi's extraordinary achievement has been to confront the regime peacefully, reasonably and persuasively... [in] one of the most laudable continuing acts of political courage' Financial Times 'Such is the depth of passion and learning that she brings to her writings about national identity and its links with culture and language that she has attracted the admiration of intellectuals around the world' Sunday Times Aung San Suu Kyi is the leader of Burma's National League for Democracy. She was placed under house arrest in Rangoon in 1989, where she remained for almost 15 of the 21 years until her release in 2010, becoming one of the world's most prominent political prisoners.
