This essential student resource is designed to help the student master the information presented in Maternal/Child Nursing Care, 3rd Edition. Specially designed to parallel material in the book, this helpful study guide is just what you need for in-depth study and review of the most important facts and information on maternity and pediatric nursing.

- Matching or fill-in-the-blank questions give students the opportunity to test their ability to define all key terms highlighted in the corresponding textbook chapter.
- A variety of questions (matching, fill-in-the-blank, true/false, short answer, and multiple choice) are used to provide students with ample opportunity to assess their knowledge and comprehension of the information covered in the text.
- Students are required to apply concepts (Thinking Critically) found in the chapter to solve problems, make decisions concerning care management, and provide responses to patient's questions and concerns.
- Answers to all questions are provided at the end of this Study Guide.

The content reflects what's in the 3rd edition of the text book.
