The Essential Guide to Drawing: Portraits (Essential Guide to Drawing Series) Barrington Barber

This practical drawing series comprises six titles across a range of subjects that are perennially popular with artists: still life, landscapes, portraits, perspective and composition, life drawing, and animals. Each book provides an accessible introduction to the subject, backed up by clear examples and developed through step-by-step exercises for readers to follow. Throughout, authors Barrington Barber and Duncan Smith provide useful advice and tips learned from their years of practice as professional artists. The simple, stylish design and accessible format make these books attractive as single units or to buy as a series.
