The Women of Shakespeare (Routledge Revivals)

Frank Harris

The Women of Shakespeare (Routledge Revivals) Frank Harris

Frank Harris argues that the way women are presented in Shakespeare's plays and sonnets are a reflection of the real-life women in his life, namely his wife, mother, mistress and daughter. Originally published in 1911, *The Women of Shakespeare* also analyses the traditional criticism of the time and places his own views in this context. This title will be of interest to students of English Literature.
