We Begin Here: Poems for Palestine and Lebanon

We Begin Here: Poems for Palestine and Lebanon contains poems written in response to the 1982 Israeli invasion of Lebanon together with new ones rising from the 2006 Israeli war on Lebanon. Following a great tradition of poetry throughout history, this book shows the vast conscience and lyrical spirit of resistance on the part of poets in support of the dignity, rights, and humanity of the Palestinian and Lebanese people.

We Begin Here is an affirmation of the human and poetic spirit, reminding us that poetry and struggle always "begin here," always leading us back to ourselves, to each other, in community, seeking truth and beauty across all borders.
