Witch Twins Adele Griffin

Claire and Luna may be witches, but there's no easy spell to stop a wedding!

Though identical on the outside, ten-year-old twins Claire and Luna Bundkin are as different on the inside as peaches and peanut butter. Claire is mischievous and Luna is a dreamer, but they do share a favorite hobby: witchcraft. Whether it's making breakfast or washing dishes, there's nothing a five-star witch can't accomplish with a wave of her pinkie finger. But there are two strict rules: Don't tell Mom, and don't try any spells without Grandy—their magical grandmother—watching.

When Claire and Luna's father announces that he's getting remarried to a loudmouthed Texas woman named Fluffy, the twins know they need to do something to stop the wedding. Fluffy wouldn't be a bad stepmother, but Claire and Luna know that she would lure their father to far-away Houston. A spell might be the only way to save their dad, and they'll try anything. Even if magic usually lands them in a pot of trouble.

This ebook features a personal history by Adele Griffin including rare images and never-before-seen documents from the author's own collection.
