**Campaign Ruby** Jessica Rudd

***Campaign Ruby* is a delightful combination of fashion, faux pas and the unexpected fun of federal politics.**

Meet Ruby Stanhope: late-twenties, workaholic investment banker, Notting Hill fashionista. But that was yesterday. Today Ruby is retrenched, hungover, £2000 poorer - holding a same-day, non-refundable ticket to Melbourne.

Arriving in the middle of a heatwave, she meets the Leader of the Opposition at a party and is drafted to work on his election campaign.

Out of her depth, and dealing with a breakneck schedule, a hot (off-limits) journalist, imminent deportation and a malfunctioning wardrobe, Ruby must do her best to win the election and find love.

**Jessica Rudd**, 28, had three career changes in as many years - law, PR, politics - but is now going steady with her life as a writer. She hopes *Ruby Blues*, sequel to *Campaign Ruby*, will give her readers as many laughs as she had writing it. Jessica is based in Beijing.

'From the first page...you know you are in for a fabulous time. It's a roller-coaster, high-heeled adventure...filled with intriguing media moments, wardrobe disasters, travelling hiccups and a selection of romantic encounters. Extremely enjoyable.' *Woman's Day*

'Jessica Rudd's debut novel is a light-hearted, skilfully written political romp...Her language is fresh and she is all the more impressive because of the momentum she sustains, a rarity among first-time novelists. *Campaign Ruby* is the Gen Y comedy of manners par excellence...If Kevin Rudd had been as funny as his daughter, our nation's history might be different. She has all the "values" - family, loyalty, friendship - but doesn't take herself too seriously; she has a charming gift for language...comedy writing is never easy, but a comedy of political manners - how cool is that?' *Natasha Stott Despoja, Age*

'Rudd is very good at balancing the serious side of politic with the slapstick antics that are de rigueur in chick lit. There are comic moments that are genuinely snort-worthy...Rudd's pacing throughout is excellent - there's rarely a moment where the narrative energy flags - and she has a great ear for dialogue.' *Weekend Australian*

'Think Bridget Jones on the campaign trail with some surprising humour.' *Hobart Mercury*
