## **Ghosts of the Tower of London (The Paranormal)** Geoff Abbott

The Tower of London's most horrific tragedies are well known; the gruesome deaths of the two boy princes in the Bloody Tower, Anne Boleyn's execution, the Jesuit priests and heretics who suffered the agonies of the rack and thumbscrew. Is it any wonder then, that there are frequent reports of blood curdling screams and moans, of unexplained footsteps and ghostly headless figures? Here, recorded for the first time, is an account for all to read—but preferably not at night—when you only *think* you are alone!

The Paranormal, the new ebook series from F&W Media International Ltd, resurrecting rare titles, classic publications and out-of-print texts, as well as new ebook titles on the supernatural—other-worldly books for the digital age. The series includes a range of paranormal subjects from angels, fairies and UFOs to near-death experiences, vampires, ghosts and witchcraft.
