Every day, women in your community are working to make the world a better place. Each year, the **Harlequin More Than Words** award is given to three women who strive to change people's lives for the better. Inspired by their accomplishments, three bestselling authors have written stories to honor these real-life heroines. *All proceeds from the sale of the **More Than Words: Acts of Kindness** will be reinvested in the **Harlequin More Than Words** program.*

Brenda Jackson explores the importance of family in *Whispers of the Heart*, the story of a father's struggle to recognize and manage his daughter's health challenges.

Stephanie Bond's *It's Not About the Dress* tells the tale of a wedding dress gone missing that leads a bride on a journey of self-discovery.

Maureen Child reminds us of the happiness and purpose that even a youngster can find by putting her best foot forward in *The Princess Shoes*.
