**Scappa coniglietto, scappa (Italian Edition)** Samuele Fabbrizzi

«A braccare gli esseri umani non ci vuole niente, corrono tutti come coniglietti terrorizzati... Corri coniglio, scappa!»

Una citazione di Otis Driftwood che calza a pennello per descrivere quest'antologia composta da tredici racconti horror.

Tredici salti nel terrore che minano la razionalità umana rispolverando l'angolo più oscuro del cervello dove si celano le paure più recondite e i lati più infimi della nostra specie.

Alieni, bambole possedute, oggetti maledetti, leggende raccapriccianti... troverete questo e molto altro ancora in "Scappa coniglietto, scappa".

Un'antologia fatta della stessa sostanza degli incubi.

E allora...

Scappate coniglietti, scappate!
