Swedish Style: Creating the Look Katrin Cargill

With its emphasis on light-infused interiors and fresh painted surfaces, Swedish interior design is easy to live with, traditional and yet contemporary in its appeal. Katrin Cargill distils the chief characteristics of a look that embraces the cool colors and modest proportions of Gustavian interiors and the unpretentious charm of country nostalgia. Five practical chapters – The Essence of Swedish Style, Color and Paint, Furniture, Fabric and Accessories – show how you can adapt and recreate this style in your own home. The photographs, many of little-known Swedish interiors, feature rooms where the look has been successfully recreated and some of the period houses that provide the inspiration.
