The Frozen Deep (Hesperus Classics) Wilkie Collins

Based on the doomed 1845 expedition to the Arctic, *The Frozen Deep* is a dramatic tale of vengeance and self-sacrifice. Exchanging vows of love with sailor Frank Aldersley the night before his departure, Clara Burnham is haunted by the memory of Richard Wardour, and his mistaken belief that they will one day marry. On different ships, the two men have no cause to meet—until disaster strikes and they find themselves united by their battle for survival. When they learn of their rivalry, there follows an act of pure selflessness, making *The Frozen Deep* one of Collins' most moving and tragic works. The author of *The Moonstone*, *The Woman in White*, and *Who Killed Zebedee?*, Wilkie Collins is widely regarded as the originator of the English detective novel.
