**Hatfield and McCoy** Heather Graham

**A psychic who connects with crime victims and a jaded FBI agent are unlikely partners as they team up to take down a serial kidnapper**

The first time they meet, they narrowly avoid a head-on collision. Julie Hatfield and Robert McCoy pray they never have to lay eyes on each other again. Not going to happen. The psychic and the FBI agent have just been named official partners in finding a missing child—the third in a string of abductions that cross state lines.

Haunted by a shattering crime in his past, McCoy is skeptical of Hatfield's special gifts—until she starts reliving the crime through the eyes of the eight-year-old girl. But it's only the beginning. Because someone is targeting Hatfield . . . someone who knows everything about her, and not even McCoy might be able to protect the strangely compelling woman who is making him believe in love again.

This ebook features an illustrated biography of Heather Graham, including rare photos from the author's personal collection.
