La isla de los glaciares azules (Spanish Edition)

Christine Kabus

La isla de los glaciares azules (Spanish Edition) Christine Kabus

Dos mujeres, un paisaje impresionante en el Ártico. Un oscuro secreto oculto bajo el hielo durante décadas.

Tras seducir a los lectores en español con *En el corazón de los fiordos* e *Hijas de la Luz del Norte*, Christine Kabus se consagra definitivamente como la autora landscape más exitosa en el mundo, después de Sarah Lark, gracias a la ambientación escandinava de sus novelas y su maestría a la hora de retratar historias de mujeres con misterio e intriga. El resultado es todo un hallazgo.

Alemania y Círculo Polar Ártico, 2013. Hanna decide reajustar su vida y volver a ejercer de periodista. Pronto le encargan un cuaderno de viaje sobre el solitario archipiélago que hay más allá del Círculo Polar Ártico. Allí conoce a un interesante investigador, con quien explora el paisaje único de la isla de Spitsbergen, hasta que descubre un cadáver cubierto por el hielo durante décadas... y decide profundizar en su misterio.

Cuenca del Ruhr, 1907. En lugar de seguir los deseos de sus padres y buscar un marido, Emilie hace un pacto con su hermano menor: se disfrazará de hombre y se hará pasar por él en la expedición al Ártico en la que debía participar. Pero pronto se percata de que ella no es la única que oculta algo...

«Kabus escribe novelas perfectas para leer en el sofá en los días de lluvia.»

Stader Tageblatt

«Hay novelas a las que las mujeres caen rendidas. ¡Y ésta es una de ellas!»

Freizeit Exklusiv

«Los lectores soñarán con las dos protagonistas. Muy recomendable.»

Alliteratus
