Management: A Very Short Introduction (Very Short Introductions)

John Hendry

Management: A Very Short Introduction (Very Short Introductions) John Hendry

John Hendry, a leading management scholar, looks at the nature and practice of Management in this Very Short Introduction. Tracing the development of management over the last century, he looks not only at what managers do, but also provides an insight to modern management theory. He considers the influences of national and organizational culture, the relationship between power and domination, managing in different cultures, approaches to management, and at the accountability of managers and morality.

This is an ideal introduction for anyone interested in, or studying, business and management.

ABOUT THE SERIES: The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area.
