One Woman Walking: Love, Loss and Liberation- A Journey through Divorce Andree Eva Bosch

Lost love and abandonment as a primal fear are the subjects of this personal journey through divorce, separation anxiety, and low self-worth. Based on the author's journals kept over three years, it is an honest inquiry into the physical and emotional devastation that ultimately led to the loss of her sense of self. Offering an inspired alternative to extreme anguish, the author weaves opportunities for new growth, greater fulfillment, true intimacy, and creativity through this intimate record.
