Pilgrim is a major teaching and discipleship resource from the Church of England that helps enquirers and new Christians explore what it means to travel through life with Jesus Christ.

A Christian course for the twenty-first century, Pilgrim offers an approach of participation, not persuasion. Enquirers are encouraged to practice the ancient disciplines of biblical reflection and prayer, exploring key texts that have helped people since the earliest days of the Christian faith. Assuming little or no knowledge of the Christian faith, Pilgrim can be used at any point on the journey of discipleship and by every tradition in the Church of England.

Pilgrim is made up of two parts: Follow and Grow. Follow introduces the Christian faith for complete beginners, while Grow aims to develop a deeper level of discipleship in those who have turned to Christ.

This first book in the Grow Stage, The Creeds, explores the core of Christian belief in greater depth through the Nicene and Apostles' Creeds. Its six sessions aim to equip participants with an understanding of these priceless resources for living the Christian life and for knowing God better. They combine simple prayer, reflection on the Bible in the lectio divina style, an article by a modern writer, and time for questions and reflection, and are supported by free online audio and video resources.
