A groundbreaking tool that assesses classrooms in a whole new way!

An inspiring environment is essential for helping young children learn. *The Rating Observation Scale for Inspiring Environments*(ROSIE) is an observation rating scale that challenges teachers to examine classrooms in a totally new way: with an eye for what is aesthetically beautiful and inspiring.

Looking through an aesthetic lens of nature, color, furnishings, textures, displays, lighting, and focal points, educators will learn to determine a classroom's level of aesthetic beauty. ROSIE then provides images and examples to assist in turning learning spaces into inspirational environments in which children can grow and learn.
